THEME

New Beginning of Cinema... Path Full of Surprises

"It is the power of memory that gives rise to the power of imagination"

We wholeheartedly welcome you to the 5th Edition of Prestige International Film Festival. Cinema should make the audience forget that they are sitting in a theater. The power that Cinema beholds of telling the stories about matters which can start the debate that is needed today, and the ones which connect you with realities that you had no idea were connected. We at Prestige Institute orchestrate PIFF to watch & view and air our own opinions and to wish all of you a wonderful fortnight of great cinema viewing on the larger than life screens. PIFF has been the most cordial and loyal depot for cine enthusiasts to take them on a captivating journey with the accomplished artiste of cinema.
